Die HMS Surprise: Von Romanen in Ihre Hände

Ein Legendäres Schiff

Die HMS Surprise, eine 24-Kanonen-Fregatte aus den Napoleonischen Kriegen, inspirierte Patrick O'Brians Aubrey-Maturin-Romane, in denen Kapitän Jack Aubrey und Dr. Stephen Maturin auf kühnen Abenteuern segeln. Ihre lebendige Darstellung in Master and Commander: The Far Side of the World (2003) brachte das Schiff zum Leben und machte es zu einer kulturellen Ikone.

Das Abenteuer Bauen

Dieses Modellkit ermöglicht es Ihnen, die Eleganz der Surprise mit edlen Hölzern wie Amerikanischem Walnuss und Schweizer Birnbaum, Messing und vorge nähten Segeln nachzubauen. Während Sie bauen, erleben Sie Aubreys Reisen neu, geleitet von detaillierten Anweisungen und historischer Genauigkeit. Ihr Modell wird die Handwerkskunst der San-Diego-Replika und den Geist von O'Brians Erzählungen widerspiegeln und es zu einem Tribut an Abenteuer und Marinegeschichte machen.
